TERMINAL DISCLAIMER

Sir:

Now comes the undersigned, Attorney of Record in the present application, who avers as follows:

Agilent Technologies hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §§ 154 to 156 and 173, as presently shortened by any terminal disclaimer of United States Patent No. 6,320,577. The owner, Agilent Technologies, hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to United States Patent No. 6,320,577. This agreement runs with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

In making the above disclaimer, Agilent Technologies does not disclaim any terminal part of any patent granted on the above-captioned application prior to the expiration date of the full statutory term as presently shortened by any terminal disclaimer of United States Patent No. 6,320,577, in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of
